

sensius *One*

THE HARMONY OF ESPRESSO COFFEE

FUTURMAT

FUTURMAT SENSIOUS *One*

PROFESSIONAL PERFORMANCE FOR BARISTAS WHO ARE PASSIONATE ABOUT GOOD COFFEE

The new **Sensius One** elevates coffee creation to a true symphony of nuances and flavours. The Sensius One coffee machine offers **highly professional performance**, similar to the acclaimed Futurmat Sensius and Sensius Gold, but with **an Italian-cut design that is more modern, elegant and urban.**

With two colour options, white and moca, **Sensius one** completes and expands the current Futurmat Sensius range, offering the most-extensive **range of models**. Available in **2 Groups, 2 Groups Tall cups, 3 Groups and 3 Tall cups versions**, to achieve the perfect aroma and texture for the best espresso coffee.

The new **Sensius One** joins the Futurmat Sensius family, **extremely reliable** machines. With this new model, Evoca Group has made the dreams of coffee lovers and roast masters around the world come true, bringing everything together in perfect harmony to make the **most genuine espresso coffee.**

**THE HARMONY
OF ESPRESSO COFFEE**
